From the Principal's Desk

Kia ora e te whānau ō Whangaparāoa,

Last week I had the pleasure of joining the learners and staff on the Year 13 camp at National Park. Not only did we have remarkable weather, but the learners represented themselves, their whānau and the community exceptionally well. It was a great reminder for us all as to how lucky we are to live in Aotearoa, New Zealand. Some Year 13 learners stayed at school and enjoyed various activities including getting to know each other, a beach walk, random acts of kindness - making food for learners and cards for teachers, Myers Briggs personality testing, and chalk art. More details are throughout this newsletter.

We are well planned and prepared for COVID-19, should it enter the school and learners or staff test positive. We are anticipating cases, and when that occurs, we will communicate with those affected directly, and put out wider communications. Please bear with us as the situation progresses. At this challenging time, please ensure that we are aware of relevant situations relating to you and your household by emailing Graeme Williams graemewi@wgpcollege.school.nz directly, eg, if you and/or anyone in your household has been asked to self-isolate or has Covid. We are doing our best to continue school life as normal but we are ever conscious of all the Covid restrictions. We want our learners to enjoy as much of their school experience as possible.

Within this newsletter are some general reminders about our school expectations. In summary, we expect all learners at school, on time, ready to learn and doing the right thing. If we could have your support to discuss this at home, it would be appreciated.

Ngā mihi nui

This is an Accord Day planned by the Ministry of Education for teachers to plan for the future new curriculum.

School is closed for learners on this day.

Excellence Breakfast

On Monday 14 February we held an Excellence Breakfast to recognise our Year 12 and 13 learners from 2021 who gained their NCEA with Excellence, as well as Benjamin Mueggenburg who gained a Scholarship in Physics, and Alex Lu who gained Scholarship in Physics, Chemistry, Maths with Statistics, Biology, Maths with Calculus (Calculus in both 2020 and 2021). Alex Lu was applauded and received a standing ovation to recognise his achievement as Dux of Whangaparāoa College in 2021. In addition to this, George Gavrilov and Shiven Pillay from Year 11 in 2021, both gained their NCEA L2 with Excellence - a year ahead of usual.

Unfortunately not all learners/parents could attend the breakfast for various reasons. However, we congratulate all of those learners listed and pictured below.

Year 13 Camp Tongariro Crossing

Year 13 camp was a blast! Early Tuesday morning 100 Year 13 learners bundled into vans and set off down South towards Lake Taupō. It took us about 4 hours to reach our accommodation. Pipers Lodge was a cosy, welcoming place with gorgeous views of Mt Ngauruhoe and a pingpong table—where many learners were humbled by the great Mr Moss. The first evening we settled into our rooms and played some evening games orchestrated by Mr Dempsey and Hannah (from CYC). One of the games included making banana mascots! There were three main activities that different groups partook in over the days. Firstly walking the 19.4 km of Tongariro crossing, up the devil's staircase through the saddle, then a clumsy descent down scree (surfing on stones) to the crystal blue lakes. It was quite hilarious for us fit youngsters watching the “more experienced” teachers. There was nothing funnier than watching Mr Moran sliding down the steep slope like it was a slide. Secondly, caving through underground tunnels with wetas and tight spaces. Lastly, a beautiful walk to the Hapuawhenua viaduct in Tongariro National Park. By the end, everyone was exhausted and the drive back was definitely more relaxed. Overall it was an absolutely amazing experience, and on behalf of the Year 13's, we would like to thank everyone who made this adventure possible!

Year 13 At Home Camp

Our Year 13 at home campers spent some time doing random acts of kindness; like stocking up our freezer with lunches for those who might need it and creating and delivering kind messages to our teachers

Year 7 Meet the Teacher Night (via Google Meet) - Thursday 24 February, 7 pm

A further email will be sent to the parents/guardians of all Year 7 learners this week with information about this evening and links to the Google Meets.

7 pm - Google Meet with Mr Steve McCracken, Principal; Ms Lisa Williams, Head of Learning for Year 7; Mr Joe Duffett, Director of Sport; Mrs Emma Williams, Director of Performing Arts. A link to this meet will be emailed to Year 7 parents/guardians. LINK FOR THIS MEETING: <https://meet.google.com/poe-ursb-hue>

7.30 pm - Google Meet with your child's teacher (kaiārahi). ***Each Year 7 kaiārahi will email parents this week with a link to this Google Meet.***

This is a chance for you to meet the principal, ask general questions, find out about extra-curricular activities, and a further opportunity to meet your child's teacher and ask any questions. The Google Meet time will be for general information and questions. If you wish to communicate directly with the teacher, please send them an email.

If you wish to communicate with one of the Year 7 "taster" teachers, please talk with the kaiārahi who can pass on an email address.

Expectations of our Learners

In order that teachers can teach and learners can learn in a calm environment, we have expectations of our learners which we remind them about regularly. Please could you discuss the expectations outlined below with your child so that they understand we are working together in order to keep the College a place of respect, safety and learning:

- Phones must be on silent and in bags before the start of class.
- Our school uniform needs to be worn correctly and details about uniform can be found on our website.
- Learners are expected to own their behaviour. They should be kind to others and treat other people the way they would like to be treated.
- Learners are expected to be at school from 8.40 am-3.15 pm each day unless they are sick or isolating. All absences should be communicated to the learner's kaiārahi and absences@wgpcollege.school.nz.

Thank you for your support.

He waka eke noa.

Duke of Edinburgh Award 2022

An information meeting for whānau of new learners to the Duke of Edinburgh Award is happening via Zoom Meeting on Tuesday 1 March from 7 to 8 pm. This is for all 3 levels. Please use the link here to join, and the access code is UR8mLu if needed.

<https://us02web.zoom.us/j/89032022211?pwd=RGZ3dkpzL2lyaEhtclhsdE4zTzVJUT09>

If you can't make the hui, please feel free to contact Maria Sinclair on mariasi@wgpcollege.school.nz and I can organise another Zoom if required, or answer your questions via email.

Itinerant Music Lessons

On Monday 14 February, our 2022 itinerant music lessons began in a slightly different location than they ever had before! We had to think 'outside of the box' (as many other NZ schools did) and set up gazebos outdoors to allow for fresh air, ventilation and safe distancing whilst playing instruments and having vocal lessons. So far the lessons have gone brilliantly thanks to the flexibility of both our teachers and learners. Thank you so much to all the people involved in making this happen!

For any enquiries please email music@wgpcollege.school.nz

16 Year Old Boy Battling with Cancer Needs Your Help

MASK WEARING

Mask wearing is mandatory at WGP College (unless you have a mask exemption). Please ensure your child has a mask and a spare in their bag. However, **if they do not have a mask or spare, these can be purchased at the Kura Kai Café for \$1 each during morning tea or lunch time.** If your child has a mask exemption please email a copy through to nurse@wgpcollege.school.nz.

Please ensure your child brings a full water bottle to school each day.

FREE DENTAL SERVICES AT WGP COLLEGE

LUMINO mobile bus will be onsite providing **FREE** dental care to Yr 9 – 13 learners in Term 1. Please follow the link below to enrol your child if they have not previously been enrolled. Parents of Yr 9 learners, please be aware that COVID disrupted dental services for our intermediate learners in 2020/21 so your child has probably not had a dental check for 2 years. Please enrol them with Lumino following the link or with a provider in the community. Dental care is Free until the age of 18.

ARDS (Auckland Regional Dental Service) mobile van will be onsite providing **FREE** dental care to enrolled Yr 7/8 learners in Term 1. Babies born in Auckland are automatically enrolled. If your child was not born in Auckland and is not enrolled with ARDS call 0800 talkteeth to enrol.

Parents, can you please inform the school nurse nurse@wgpcollege.school.nz if your child has a health vulnerability and will need to learn from home if WGP College gets a Covid positive case.

Dear Parents and Guardians,

The Lumino the Dentists Mobile Unit is scheduled to come to Whangaparaoa College in 2022. **Term 1, weeks 1, 2, 3, 4, 5, 6 and 7.**

The Lumino the Dentists, School Smiles Programme is fully funded by the Ministry of Health. It offers free dental examinations, oral health education, x-rays and a professional dental clean for students in year 9 to year 13, "up until their 18th birthday. Treatment including white fillings, sealants and extractions of baby teeth are also provided on the school grounds as required. For other treatment not completed on board the unit, you will be referred to your local practice or orthodontic specialist.

Enrol with us!

If you'd like us to see your child during our visit, please complete the online enrolment form via the link below. If we have seen your child at Whangaparaoa College before, please also complete this online enrolment form, to make sure we have up to date contact/medical information for your child, as we now advise our patients/their parents of upcoming appointments via text message. Please call or text us on 0272228521 if you have any questions.

Keeping Students safe during COVID-19.

Lumino operating guidelines are over and above Dental Council of New Zealand and Ministry of Health requirements.

1. Triage and Contact Tracing for students and Lumino staff.

Students' temperature taken by contactless thermometer prior to appointment.
Dental unit staff screened daily.
Triage questions prior to appointment on exposure to, or symptoms of, COVID-19.
Students to sign in and contact tracing details collected.

2. Infection Control

Lumino follows all DCNZ Infection Control protocols.
Lumino is well resourced with PPE for their entire team.
Students will be provided with an anti-microbial mouth rinse both prior to and after treatment.
Students will be provided with alcohol-based hand sanitiser both prior to and after treatment.

You can find out more about Lumino's additional safety measures for [COVID-19 here](#).

FAQ:

- The link for enrolment doesn't work – Please copy and paste this link into your search engine: <https://lumino.co.nz/dentists/mobile-dental-clinics-for-schools/enrol-with-mobile-3/>
- If I enrolled my child previously, do I need to enrol again? – Yes, to ensure we have consent to see your child each year, and all their/your contact details and their medical history is up to date, we ask that you please fill in the enrolment form every year.
- What is an NHI number? – An NHI number is your child's "National Health Identification number" if you do not know it, your GP doctor can provide this for you. Unfortunately, we cannot see children who do not have an NHI number.
- If my child was seen at Primary School, do I need to enrol? – Yes, Primary School Dental Service and High School Dental Service are two different providers.
- If my child is currently seeing an orthodontist, can they be seen at school for their free dental check-up? – Yes, if your orthodontist does not check your child's teeth and do cleaning for free, we can see them at school for an annual dental check-up.
- My child currently visits another dental practice, can they be seen again at school? – No, children under 18 can only have 1 free dental check-up per year. However, if you are paying for your child's other dental check-up, then we can see them at school for free.
- Do I need to book an appointment? – No, you will receive a text message with your child's appointment time the day before the appointment, please ask your child to come and see us at their appointment time. We will also send our runner to get your child from class if they forget to come and see us at the allocated time.
- What can I expect on my child's visit to the dentists at school? – Once a student comes to see us, we will ask them to fill in a Covid-19 questionnaire form and take your child's temperature using a laser thermometer. Then, one of our highly qualified clinicians will take x-rays, check their teeth, and do a clean/scale and polish. If further treatment is required, your child will be asked to come back for a second appointment.
- What happens if my child requires further treatment? – If a patient needs fillings, extractions, or fissure sealants, we will send a card home with them to be signed by you, before completing this treatment on the Mobile Unit at School. We will not perform any treatment without consent from a parent/guardian.
- What happens if my child is referred to an orthodontist? – Unfortunately, orthodontic treatment is not funded by the Ministry of Health and this will need to be paid for privately at an orthodontist of your choice, please let us know if you would like a recommendation.

Have any other questions? Please feel free to contact me, my details are below.

OUR KINDO ONLINE SCHOOL SHOP IS NOW LIVE!!

We are excited to let you know that our Kindo School shop is now live and open 24/7.

In 2022 all your school payments will be able to be made in one place with your myKindo account.

You can now order school lunches easily and soon will be able to see your outstanding payments on your personalised account.

Your myKindo account

Kindo is used in a lot of schools and organisations in your area. So please select the option below that applies to you.

- **Current user** - If you already have a current ezlunch or myKindo account: You can simply [log in here](#) and update your details on the 'my details' page.
- **Previous user** - If you have had an ezlunch or myKindo account in the past, but have closed the account, or not used the account in the last 15 months: Please [email our Kindo helpdesk](#).
- **New user** - If you have never had an ezlunch or myKindo account with any school or organisation: [Click here](#) to register using the email address the school has on file for you.

Payments

There are a number of ways you can choose to top-up your account, and this can be done at the checkout, or by selecting the 'top up account' option at any time.

top up account	my details	my orders	mykindo
POLi	No fees. Instant transfer. **RECOMMENDED**		
Credit/Debit Card	50 cent charge + 2.5% fee. Instant transfer. Visa / MasterCard / American Express and China UnionPay available.		
Bank Transfer	No fees. Allow 2 days for processing.		

Purchases

There are TWO types of transactions you can make using myKindo: paying personalised payment requests for your students; purchasing optional items.

Personalised payment requests appear at the top of your screen under your student's name.

Pay the full amount by clicking '+' next to the item or make a part payment, by changing the amount before clicking the '+' (if available).

There are also the Kindo shop/optional items. Click on your child's initial next to an optional item to add to your cart.

Once you have made all your purchases click on the **Checkout** option to complete your transaction.

If you have sufficient funds, then simply click **Place Order** at the checkout and you're done!

If you have insufficient funds, you will be required to top up to complete your order.

Your order will automatically go through to the school and you will receive an email receipt confirming your top-up and/or purchase!

mykindo App

mykindo app is also available to download for both android and iPhone.

Setting up an Automatic Payment to your myKindo account

Making regular payments into your myKindo account means you will always have funds available when you need them!

Having an automatic payment set up into your myKindo account is easy.

Login to our Kindo school shop and click on the **top up account**.

Under the Bank Transfer (allow two days) option, will be your personal details and the Kindo bank account number.

These are all the details you need to set up an Automatic Payment with your bank.

IMPORTANT: You must include the Reference number (your member number) so we can ensure the funds are transferred into the correct myKindo account.

Setting up an automatic payment into your myKindo account

We've set up our Kindo school shop to make it easy for our families to pay for school costs anywhere, anytime. It's open 24/7 and is our preferred method of payment.

If you have a regular automatic payment going to our school account, please switch this to your myKindo account by following these instructions.

- Login to your myKindo account. [Create Account](#) [Login to your account](#)
- Click on 'top up account' either on the banner, or under the 'mykindo' drop down.

- Set up your new automatic payment by using the personalised instructions under the 'Bank transfer' heading on the right.

These include the bank account details you will need to set the payments to and your member number which needs to be included as the reference.

Bank Transfer (allow 2 days)

Top up your account by bank transfer, internet banking, or by automatic payment.

Please include this information with your deposit:

Please allow up to 2 working days for funds to be transferred. You will receive a top up receipt when funds are received.

NOTE: *this is not recommended for same day/next day lunch orders, or items that are closing within 48 hours as orders will not be processed until funds have cleared and may get missed!*

You can choose to drip feed your funds into your myKindo account, and when you have enough funds, make a payment in full, or you can choose to make part payments on some items.

Having a credit on your account, means for a faster transaction process at the checkout too!
